

FATTORIA CASTELLINA

SOLARE IGT Toscana Bianco 2007

Main vineyard data

Soils: sandy-silt soil with sandstone-derived gravel-pebble texture

Vineyard: various estate vineyard blocks

Size: 0.5 hectares

Vineyard density: 2,500-4,000 vines per ha

Average vine age: 6 years

Average altitude: 250 metres

Aspect: south

Average yield per vine: 1 kg

Fermentation, maturation, ageing

100% vermentino. The must is given a 4 day fermentation without the stalks, followed by malolactic fermentation and maturation for 6 months in small barrels. The wine is then assembled in iron vats. After 20 µm cartridge filtering and bottling, the wine is bottle-aged at least 3 months. Our wine is proudly biodynamic, both in the vineyard and in the cellar; the authentic expression of our fantastic terroir.

Main technical data at bottling

Total alcohol: 13.11%

Non-reducing extract: 28.9 g/l

Total acidity: 5.00 g/l

pH: 3.55

Volatile acidity: 0.58 g/l

Total SO₂: 48 mg/l

Production: 900
